- I have read the **Deed Restrictions, Article 7** and the **Architectural Guidelines** to determine compliance of my project before submitting this request. (See: [www.gvth4.com](http://www.gvth4.com))
- I understand Architectural Committee approval only determines that my project meets the architectural guidelines of Foothills Townhouses IV.
- I realize I may need to provide additional documentation (photos, drawings, etc.) to explain my request and providing ample documentation that clearly describes my project will help to ensure a faster response.
- I further understand that my project may require a Pima County Building Permit and that it is my responsibility to obtain a permit if one is required.

**NOTE:** Call Pima County for assistance: **520-724-9000**.  
Do not rely on your contractor for determining permit requirements.

- I realize that Committee members may visit my site prior to approval. If so, someone will call me first and I will be welcome to participate in the visit.
