

Member Services Annual Report 2023

Friendly First Fridays continues to be a hit. During months where weather is an issue, we have been meeting in members' homes and attendance has been excellent. In March, we hope to be back in the park. Come and join us! 4 PM in the first Friday of the month. Bring a chair, your beverage of choice, and wear a hat and sunglasses for the park.

Our December Ladies Luncheon was a hit. Held at Dominick's, attendance was 40 women, with lots of laughter and meet-and-greet. We will probably return there next year and hope more will join us.

The January potluck was attended by over 50 people, and the "Around the World" theme brought food from many places. Our flag napkins and centerpieces, along with a table game added to the festiveness.

We have another Laughter Yoga session in the park coming up soon.

Stay tuned for more interesting events coming up in the months ahead.
