

## **OCTOBER 2023 E-BLAST: THIV**

### **Friendly First Fridays at Four (FFFF)**

During the summer, the Member Services Committee kept FFFF going by holding gatherings in private homes. Attendance was good, ranging from 9-14 people. On October 6, we return to Manny's Park. Come at 4 PM and bring a chair, your beverage of choice and a friendly spirit and get to know some new friends and neighbors. We especially want to invite our 6 new households to join us!

### **Save These Dates (Details to follow)**

**December 7:** Ladies Luncheon, Dominick's.

**January 24:** Neighborhood Potluck: "Around the World"

**February 22:** THIV Annual Meeting

### **Review Documents**

This is a great time to review the THIV governing documents, our Bylaws and Deed Restrictions. You have all received copies of them but probably haven't read them for a while. The Deed Restrictions (CC&Rs) outline procedures for changes to your property, among other things.

### **Snake number**

If you are new to the neighborhood, you may not be aware of the number to call if a snake is found on your property. Call **520-629-9200** to have the snake removed. If it is not a rattlesnake, you are advised to allow it to leave on its own. Non-venomous snakes are crucial for rodent control.

### **Volunteers Make Our World go Around**

All of our committee members are volunteers and are listed on our website, [gvth4.com](http://gvth4.com). Thanks to them for the great work they do.

The Landscape Committee would like especially to recognize volunteers Barb Gallagher, Lyne Behrens, Judy Crawford and Glenn Miller for their tireless work over the summer. It's quite a feat to work in our recent extreme heat. Thank you!
